Yes Sensei,

of love making

I hope I can

right way

Don't worry,
I will
teach you
everything
about my vagina

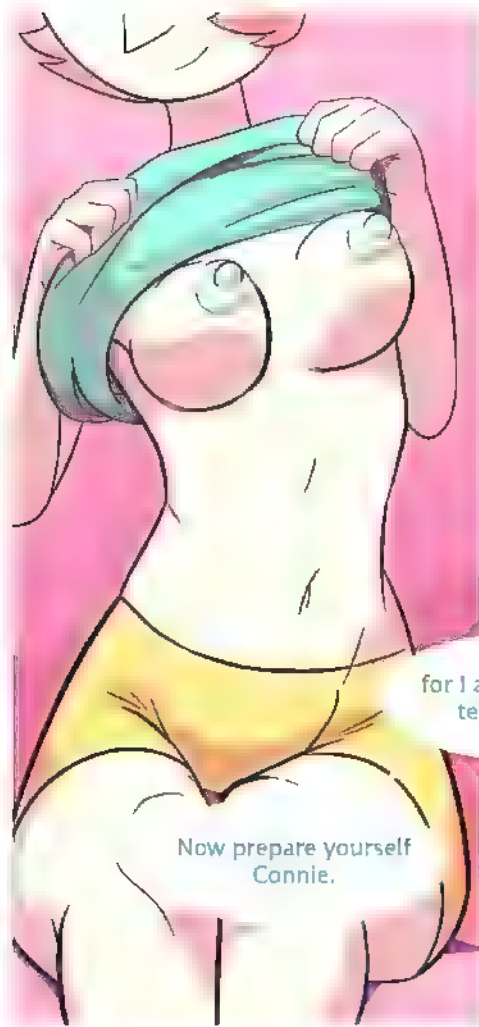

Thank you,

Now prepare yourself

Connie,
please undress
before me
so I may take
a good
look at
your body

I hope my body

Sensei

You look
beautiful
Connie

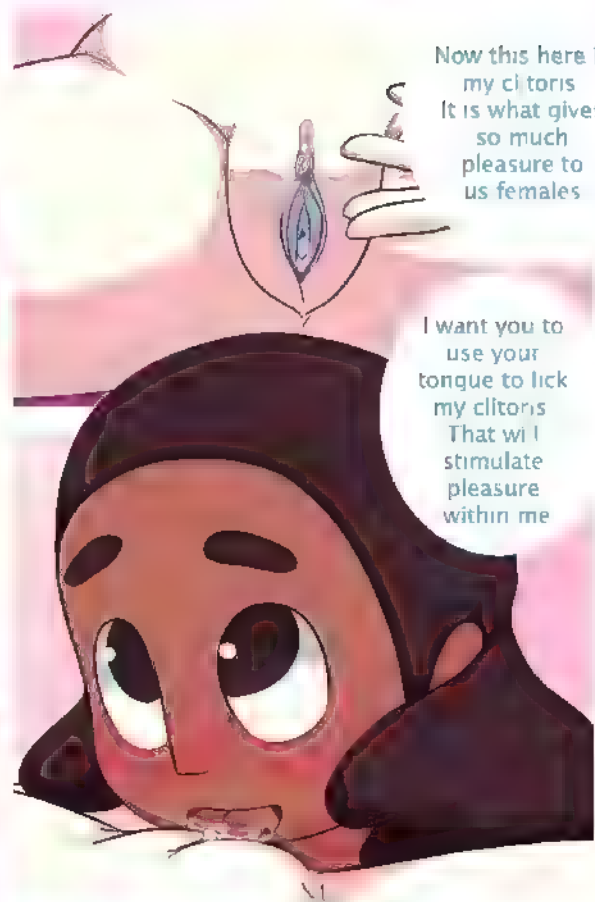

Let us start here
by opening up the lips
to my vagina

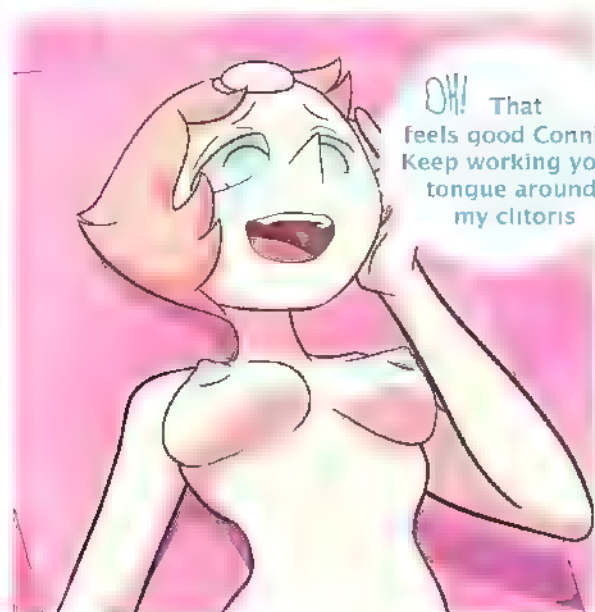

Like this
Sensei?

Correct!

Now this here is
my clitoris
It is what gives
so much
pleasure to
us females

I want you to
use your
tongue to lick
my clitoris
That will
stimulate
pleasure
within me

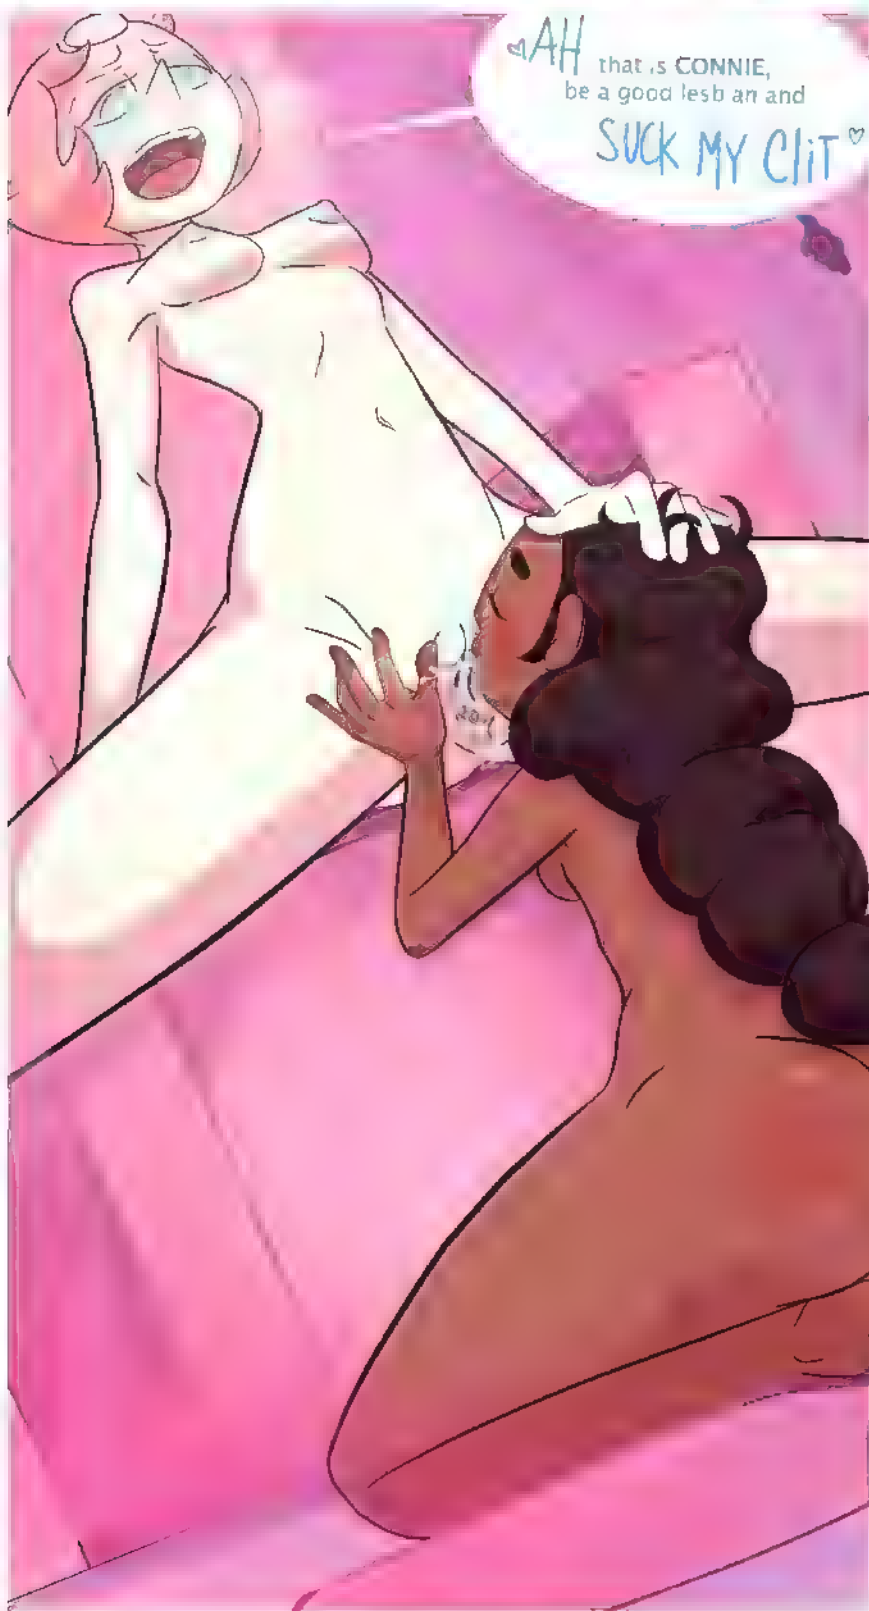

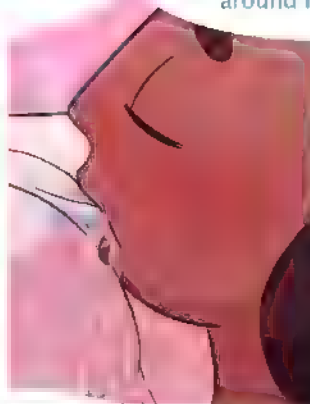

OH! That
feels good Connie.
Keep working your
tongue around
my clitoris

Ok, now I want you to wrap
your lips around my clitoris
and suck on it

Treat it as if you were
suckling from my nipples

Oh Connie...
your lips feel so good
around my clitoris

With my training
your cunnilingus skills will
only improve

And Connie,
please enjoy the taste
You will be drinking a lot
of my love fluids
with this training.

So... I should slip my tongue into this hole here, Sensei?

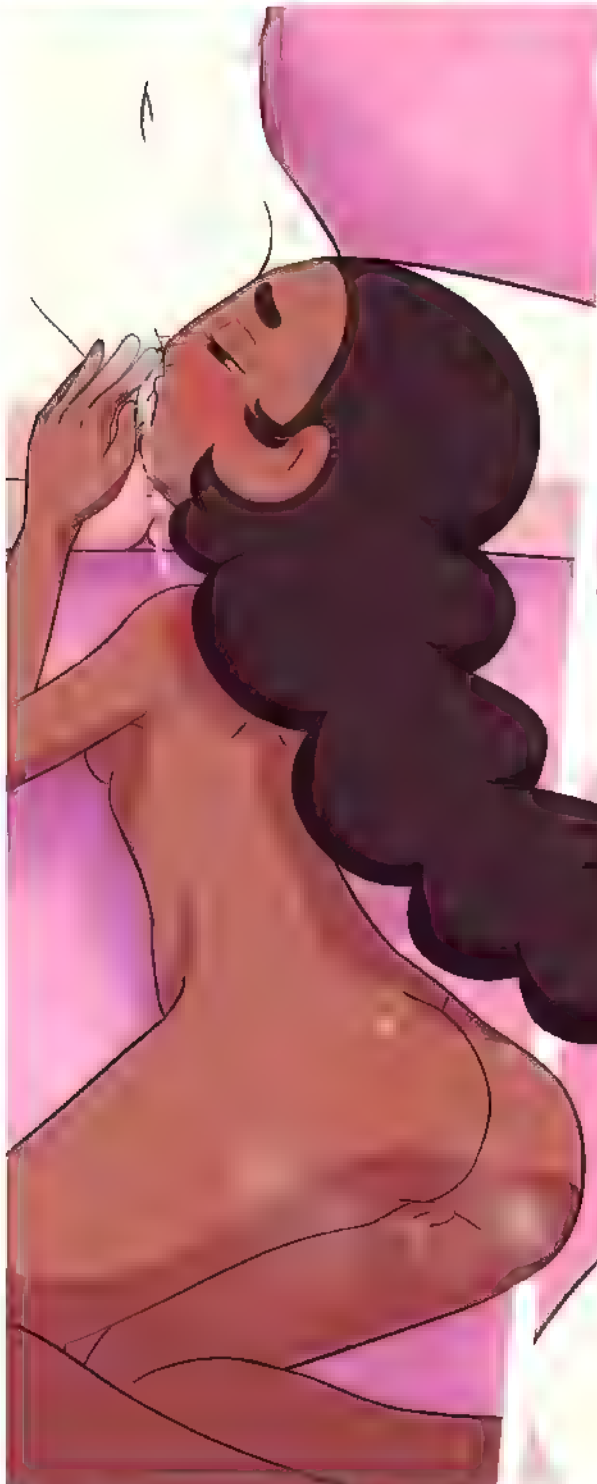

There you go Connie. Keep working your tongue deep inside me. You need to get a really good taste for my vagina

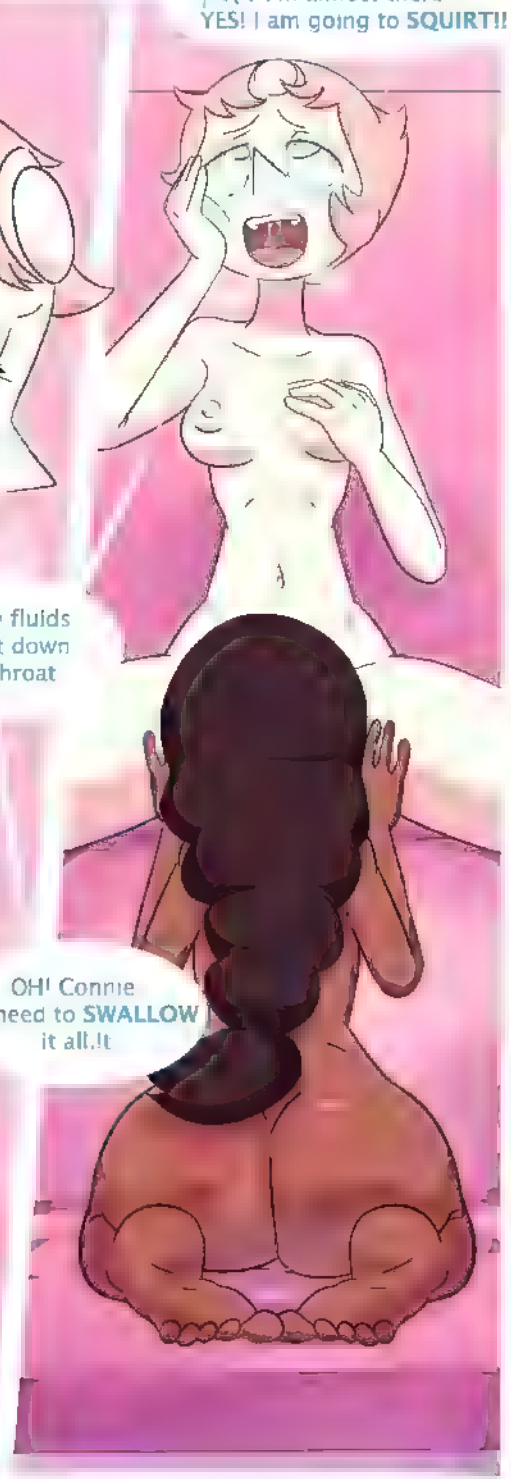

AAH I'm almost there YES! I am going to SQUIRT!!

OH MY STARS!

Enjoy my love fluids
as you TONGUE FUCK ME!
